

# Jurassic 5 Lyrics

## "High Fidelity"

[Zaakir]

Well my name, Zaakir

I'm versatile

Plus I never eat the cow if ain't Hilal

While you rap or bit our styles in the third degree

Myself and 7even tight like cornbread Earl and me

Showcase with the voice that's Oh so fresh

And I can still serve a brotha in a minute or less

I can talk all day but I'mma save my breath

And let my nigga Marc 7even just do the rest

[Marc 7]

I'll do the rest

But I won't rest

Get fresh off of any beat you suggest

High tech with the combination we prepare

Rap concierge behind there kickin' the snare

Now check it

Marc's the word

7even marks the spot

Guaranteed to keep it hot

If you like it or not

MC's is ink blots

We verbal potshots

Takin' the top spot

We clutchin' top notch like...

[Soup]

And together we, will forever be

High Fidelity

Definitely

Switchin' the melody

Can it be

The Casanova speech therapy

That heavily puts the flavor right where it should be

My words have been connected to the poets of old

The way I utilize the pen I turn ink to gold

Keep it overly creative

Innovator of soul

Now check the flavor from the fader

Which my DJ holds

[Samples]

*[Both 2X]*  
And together we  
Will forever be  
High Fidelity  
Definitely  
Switchin' the melody  
Can it be the brothers that you rarely see  
That got together for the better  
Whether him or me

*[Marc 7]*  
You better remember these  
Incredible MC's  
Our sounds invade spread plagues just like a leprosy  
Our weapons be our vocals  
Guaranteed to smoke you  
Better think twice about steppin'  
We nice  
Never focused on ice  
And still comin' off tight  
It's like the color of night  
I mean the beat is so right  
Damn!  
Soup and 7even  
Infiltrate your heart  
The beat that's compliment of DJ Nu-Mark

*[Soup]*  
And it's the fifth element  
Never repetitive  
Highly competitive  
Classy and elegant  
Super intelligent we're tellin' it to ladies and gents  
Never irrelevant now do I have to say it again

*[Marc 7]*  
The fifth element  
Never be hesitant  
Totally accurate  
Present or past tense  
We immaculate in fact you get a whole crew  
Backin' it  
Hit 'chu with my two inch tape  
And show you what workin' with

*[Both]*  
And together we  
Will forever be

High Fidelity  
Definitely  
Switchin' the melody  
Can it be the way that we demonstrate  
Our Wonder-Twin powers we activate

*[Soup]*  
I'll tear a competitor  
Pluck 'em like chicken feathers  
I'm better than ever  
Incredible poetical editor  
Dead or be better  
I bet'cha regardless the whether  
Whenever with clever endeavors  
When me and 7even rappin' together

*[Marc 7]*  
Your style is post mortem  
No decorum  
Style pourin'  
We explorin'  
You ignorin'  
I'm the foreman  
Longshoreman  
And I'm sure when you tourin'  
That you whack and you borin'
